Personal Profile

Results-driven software engineer with a strong foundation in Mathematical Science (Computer Science), expertise in modern programming technologies, and a track record of delivering scalable, high-quality solutions. Highly skilled in team collaboration and committed to continuous learning, I strive to solve real-world challenges and contribute to organizational success. Seeking a challenging and rewarding opportunity where I can contribute my skills and experience to solve real world problems!

Work Experience

SOFTWARE ENGINEERING FELLOW

Brave Redemptive Fellowship

July 2024 - Present

- Deepened my knowledge on the MERN STACK; learnt further how to build enterprise-level (a case study being an edTech app); and I also learnt and practice more advanced level concepts and best practices..
- Collaborated on many projects, further sharpening technical and soft skills, one of such projects being a robust gaming app.

BETTER PLACE NIG LTD

Web Developer - LAMP Stack

Jan 2023 - April 2024

- Designed and developed websites and landing pages that brought in up to 800% return on investment.
- Setup information systems and networking infrastructure that increased operational efficiency.

Educational History

BACHELOR OF TECHNOLOGY, MATHEMATICAL SCIENCES (COMPUTER SCIENCE)

Olusegun Agagu University of Science and Technology

December 2022

CERTIFICATE COURSE IN SOFTWARE DEVELOPMENT

SHE Hacks Africa Coding Bootcamp (organised by WAAW Foundation)

November 2018

- Took a deep dive into Version control, HTML, CSS, JavaScript, Apache/MySQL, PHP, Node.js and ionic framework.
- My team came second in the demo; even as we that built an Electronic Medical Records (EMR) website as our capstone project.

Relevant Skills

- Programming Languages: JavaScript, TypeScript, HTML, CSS, PHP, Node.js
- Frameworks and Libraries: Node.js, Express, React, Angular, Bootstrap, Tailwind CSS
- Databases: MySQL, MongoDB
- Tools: Git, JIRA, Agile methodologies
- Soft Skills: Communication, problem-solving, teamwork, adaptability, continuous.

Affiliations & Awards

CERTIFICATE OF APPRECIATION

Foundation of Moral Value Reorientation (FMVR), Lekki

I facilitated a 3-day onsite digital skill training program for the FMVER

CERTIFICATE OF APPRECIATION

Activate Your Essence Conference

I spoke on Digital Skills to over a hundred participants in the online summit.
